... complete solution – all from a single supplier
MK - High Energy Disc Machine
incl. Drying System

Flexible processes possible:
Degreasing, oil removal, rinsing,
corrosion protection, grinding,
smoothing, descaling, deburring,
polishing, passivating
and drying in just one operation –
without reloading.

- Automated process flow
- Compact (minimal space required)
- Reproducible processing results
- Efficient production flow
- Saving handling costs
- No part mixture
